

SKIVLISTA 6-2018

Hello music lovers,

Kommer ni ihåg filmen "The Long Hot Summer" med Paul Newman, Orson Welles m fl från 1958? En klart sevärd rulle som kan rekommenderas. Titeln verkar stämma riktigt bra på årets sommar som började med en intensiv värmebölja redan i maj. Som vanligt lämnar jag följande sommarrabatter vid köp från denna lista:

10% rabatt vid köp för 300-499 kronor

20% rabatt vid köp för 500-999 kronor

30% rabatt vid köp för 1 000 kronor och uppåt

Exempel: om du handlar för 665 kronor så avgår en rabatt på 133 kronor och du betalar alltså bara 532 kronor plus porto. Observera att detta gäller levererade skivor så v g ange alternativt vid beställning. Fraktfritt om slutsumman efter avdragen rabatt överstiger 1 000 kronor.

Denna rabatt gäller tills nästa lista kommer ut. När det blir? Ja, jag måste överväga om det alls är vettigt att fortsätta. Den sista tiden har intresset varit minimalt för mina skivlistor. Visst förstår jag att vinylintresset kan komma i andra hand ibland och värmen kanske har bidragit. Men för att det i längden ska vara meningsfullt att skicka ut skivlistor är en förutsättning att ni är intresserade och köper något ibland. De tryckta listorna är en service till er som inte har intresse/möjlighet att handla på nätet. Annars vore det väldigt enkelt (och billigare) att enbart sälja på nätet, som så många andra skivhandlare gör. Men som jag tidigare har sagt kommer jag att fortsätta med mina skivlistor så länge det finns intresse. Då är frågan hur stort intresset är i dag? Räcker det kanske med en lista per år?

Ett alternativ är att ni skickar in önskelistor på vad ni vill ha och framför allt vad ni är villiga att betala. Några av er har gjort så och det är ett sätt att komma vidare. En förändring från och med denna lista är att jag inte har med några reaktivor. Ni som är intresserade av reaktivor, skicka svarsporto eller en tjuga i brev så får ni nästa realista när jag har någon aktuell. Jag printar då ut det antal listor som går åt.

Ni som har beställda skivor liggande sedan tidigare för att ni ville spara porto genom att köpa tytligare plattor, hör av er nu så att vi får alla gamla beställningar avklarade under juni månad.

Rock'n'Ruth och jag önskar er alla en fin sommar! I bakgrunden ser vi Svartsjö slott, närmaste grannen.

Observera att privata plusgironkonton nu upphört och jag kan därför ej längre sända paket mot postförskott. Detta innebär att samtliga beställningar nu måste betalas i förskott. För att vara spårbara måste försändelser sändas som rekommenderade brev eller postpaket. Alternativt kan jag skicka med Schenker. Betalning till mitt Nordeakonto 3007 00 30057 (Ronny Forslund). Paketet skickas så snart betalning inkommit till kontot.

Kvalitetsgraderingar:

M (mint) - nyskick, VG (very good) - mycket välvårdad, enstaka knaster kan förekomma (främst på lugnare partier), G(good) - något knastrig, men spel- och njutbar. + och - anger gränssfall. VG(+) anger ett gränssfall mellan VG och VG+.

Övriga förkortningar som används i listan:

woc/wol - skrift på omslag/etikett, soc/sol - sticker, klisterlapp på omslag/etikett, wocb/sobc - skrift/klisterlapp på baksidan av omslaget, cw - omslaget skadat (omfattningen av skadan varierar - fråga gärna), toc/tol - tape på omslag/etikett, lt (label tear) - skivetiketten skadad, stmc - "sticker marks on cover", märken efter prislapp e.d. på omslaget, co - "cut out" (hål i omslag eller bortklippt hörn), bb hole - borrhål genom skivcentret (vanlig cut out-form för singlar), NC - skivcenter saknas (anges endast när skivan ursprungligen varit försedd med center), swdnap - skivan något skev, vilket dock ej påverkar spelningen, RE (reissue) - nypressning/återutgivning (dock originalinspelning), X - original bildomslag (pic.cover) - ej alltid en bild på artisten - kan även vara s.k. "art cover", O - original bolagspåse (rec. company sleeve). När varken X eller O anges, har alltså skivan ett helt neutralt omslag. Skulle något vara oklart angående förkortningarna, fråga gärna om detta. OBS att minimiorder är 100,- och detta gäller levererade skivor - v.g. ange därför alternativt. Normalt finns varje skiva i ett ex, om inte annat anges efter titeln. Det kan alltså vara en god idé att sambeställa med någon kompis om Du själv inte hittar så mycket. Alla order över 1.000,- levereras fraktfritt (d.v.s. om du får skivor för över 1.000,-). Vid köp under 1.000,- debiteras postens avgifter. OBS att LP-paket räknas som skrymmande. Om paketet väger under 2 kg kan det sändas som brev.

F.C. Prices are in SEK. 100 SEK is approximately US\$ 15 or Euro 12,-. Please don't send any money in advance. I will send you a confirmation of what I have reserved for you (incl. shipping) plus payment information. Eurocheques are no longer accepted by Swedish banks as payment from abroad! The Swedish banks charge ridiculously high fees for cashing cheques (both bank cheques and personal cheques) so this is not a viable method of payment. You can pay by credit card through PayPal - just go to www.paypal.com and use my e-mail info@rock.x.se as reference. Please add 10% to the price in order to cover the charges involved. Minimum order is SEK 100 or US\$ Euro 15 (please state alternatives) and all orders over SEK 1.000 are sent post free. Please note that VG+ is used instead of Ex.

- pay by credit card through PayPal!
